

# THE ICELANDIC CANADIAN CLUB OF TORONTO SCHOLARSHIP

**Application Deadline: March 12, 2010**

---

One award of \$1000 is available to be awarded to a student of Icelandic descent; this is the annual ICCT Scholarship. The scholarship is offered to a student who is in or about to enter post secondary education or training. We are interested in attracting candidates who, in addition to high academic standing, leadership qualities and community involvement, have an interest in their heritage.

Therefore, please include a short essay (maximum 1000 words) in which you discuss: your Icelandic descent/connection, your community involvement, your current and future planned involvement in the Club, and how you plan to help keep Icelandic culture, language and traditions alive in Canada. Preference will be given to students entering first or second year; previous recipients will be considered only when no other suitable candidates have come forward.

The applicant or applicant's family must be a member in good standing of the Icelandic Canadian Club of Toronto and must plan to be an active and involved member of the Club. The Scholarship will be presented at the Gala dinner of the INL Convention on Saturday, April 24th.
