

**THE ICELANDIC CANADIAN CLUB OF TORONTO**  
**SNORRI GRANTS**

**Application Deadline: April 1, 2010**

---

Grants are available to people of Icelandic descent participating in the Snorri Program in 2010. These grants are offered to assist in the funding of your travel expenses. The amount awarded may vary from year to year, and will be subject to Board approval based on the number of applicants for the year and the funding available. We are interested in attracting candidates who, in addition to their Icelandic heritage, leadership qualities and community involvement, will be active and involved members of the Icelandic Canadian Club of Toronto upon their return.

Therefore, please include a short essay (maximum 1000 words) in which you discuss: your Icelandic descent/connection, your community involvement, your current and future planned involvement in the Club, and how you plan to help keep Icelandic culture, language and traditions alive in Canada.

The applicant or applicant's family must be a member in good standing of the Icelandic Canadian Club of Toronto. Applicants must plan to be involved in the Club; preference will be given to those with current involvement in the ICCT. Grants will be presented at the Thorrablot/Gala Dinner at the INL Convention Saturday, April 24 at the Courtyard by Marriott Hotel.
